

Worksheet

Items in a pencil case and the materials that they're made of.

My name: _____

Instructions:

Complete the chart. Ask others in the class what they have got in their pencil case and what the object is made of. Remember to write the name of the child who answers your questions.

Example:

You: Have you got a pencil sharpener?

Friend: Yes, I have.

You: What is it made of?

Friend: It's made of plastic and metal.
